Here's a sampling of our planned activities for the week:

We'll kick off the festivities with a Meet and Greet reception in the conference room so you can get to know your fellow homeschoolers. Other special activities during the week include a nature hike with an emphasis on science, campfire fun with Christian sing along – don't forget to bring your instruments to play, star gazing and constellations, karaoke, arts and crafts, wacky races, fun family contests, and much more! The last night will feature a pot luck dinner and carnival games in the conference center.
